

Smallpox Vaccination Report

Vaccination numbers are updated every Thursday by close of business and reflect the previous week's activity.

The following statistics, reported to the Centers for Disease Control and Prevention (CDC), reflect activity through Friday, August 22, 2003.

Note that Los Angeles County is listed separately. For the purposes of the smallpox vaccination program, it is considered an independent jurisdiction and it reports its numbers separately to the CDC.

JURISDICTION	NUMBER OF VACCINATIONS TO DATE
California excluding Los Angeles County	1606
Los Angeles County	243
California Total	1849
